7. **Return your sheep AS SOON AS IT IS COMPLETED.**

Holy Trinity School students, make sure the student's name is visible on the back and please place your completely dried sheep back into its Ziploc bag. Return your sheep to your school teacher.

Youth Faith Formation students, make sure the student's name is visible on the back and place your completely dried sheep back into its Ziploc bag. Return your sheep to your YFF Catechist or to the Holy Trinity Parish Office.

ALL SHEEP MUST BE RETURNED AS SOON AS COMPLETED.

We need time to attach a green stand to the back of each one before the Reconciliation Service. Students will get their sheep as they enter church for the Reconciliation Service and place it at the feet of a 6 ft. tall cutout of Jesus standing at the altar. After making their confession and praying the penance, if you would like, you may take a photo of your child holding his/her sheep near Jesus, and students may take their sheep home.

Thank you. God bless you. Enjoy making your sheep!
